

GOVERNOR'S ACTION TEAM ON ENERGY AND CLIMATE CHANGE

Florida Governor's Action Team on Energy and Climate Change

Action Team Members

Governor Crist established the Action Team on Energy and Climate Change by signing Executive Order 07-128, "Florida Governor's Action Team on Energy and Climate Change," on July 13, 2007. The team will develop a comprehensive strategy to achieve targets for statewide greenhouse gas reductions, including policy recommendations and changes to existing law.

The Florida Governor's Action Team on Energy and Climate Change consists of 27 members and one ex officio member and serves at the pleasure of the Governor. Appointments to the Governor's Action Team are:
