

GOVERNOR'S ACTION TEAM ON ENERGY AND CLIMATE CHANGE

Government Policy Technical Work Group

Technical Work Group Members

The members of the technical work groups were appointed by the Secretary of the Department of Environmental Protection as technical experts to assist the Climate Action Team. The role of the technical work groups is to identify the full range of potential state actions to address energy and climate change, to identify suggested priorities for analysis, to assist with the analysis, development and review of various options, to assist with the development of policy alternatives, and to review and assist with the state greenhouse gas inventory and forecast.

Appointments to the Government Policy Technical Work Group are:

David Ash, Aide to Senator Al Lawson, Florida Senate
David G. Bates, Shareholder, Corporate Department, Gunster, Yoakley & Stewart, P.A.
Tommy Boroughs*, Chairman, Florida Energy Commission
Sheri Coven, Director of Intergovernmental Affairs, Florida Department of Community Affairs
