

GOVERNOR'S ACTION TEAM ON ENERGY AND CLIMATE CHANGE

Cap and Trade Technical Work Group

Technical Work Group Members

The members of the technical work groups were appointed by the Secretary of the Department of Environmental Protection as technical experts to assist the Climate Action Team. The role of the technical work groups is to identify the full range of potential state actions to address energy and climate change, to identify suggested priorities for analysis, to assist with the analysis, development and review of various options, to assist with the development of policy alternatives, and to review and assist with the state greenhouse gas inventory and forecast.

Appointments to the Cap and Trade Technical Work Group are:

John Cahill, Attorney, Chadbourne & Park LLP

Laura Crouch, Manager of Environmental Policy & Regulatory Affairs, Tampa Electric Company

Tim Devlin, Director of Economic Regulation, Public Service Commission

Judi Greenwald, Director of Innovative Solutions, Pew Center for Global Climate Change
